SECTION A - SUPPLEMENTAL INFORMATION

The purpose of this modification, P00003, is to award a partial exercise of option (89%) for containerized engines, CLIN 0002AA and a total exercise of option (100%) for J5.5 DECUs, CLIN 0004AA.

These exercise of options increase the total value of the contract by \$12,604,616.29 from \$14,355,197.89 to \$26,959,814.18.

Both Parties understand and agree that the unit price specified for CLIN 0002AA is predicated on the Government supplying containerized engines with serial numbers of 9400 and above. The contractor shall advise the PCO immediately of any engines delivered that do not meet this requirement and shall not commence work, until authorized, on any of these engines.

The contractor is not authorized to expedite any shipments without approval of the Contracting Officer.

Except as noted herein, all other terms, conditions and specifications of the contract remain unchanged and in full force and effect.
